The new and improved XL Capacity Lane Line Reel from S.R.Smith not only has the largest storage capacity on the market, but now the new smooth-surfaced frame greatly reduces the risk of snagging and damaging lane lines during use.

- Premium mounted pillow block bearings enable easy rotation of the spool
- Corrosion-resistant powder-coated stainless steel frame and marine-grade HDPE side guards with 9 integrated slots for an easy grip
- Smooth frame surface designed to protect your lane lines from catching or snagging during reeling or unreeling
- Polyurethane cord eyehook allows the first lane line to be properly secured
- Holds more than any other storage reel on the market: up to 985 ft (300 meters) of 4" diameter lane lines or 575 ft (175 meters) of 6" diameter lane lines
- Custom frame color options available
