

Introducing the S.R.Smith Pool Better™ Rewards Program

YOU COULD WIN \$10,000!

Thank you for choosing S.R.Smith products for your pools! To show our appreciation for your loyalty, we are happy to introduce the new Pool Better™ Rewards Program!

The Pool Better™ Rewards Program is a trade-exclusive rewards program designed specifically to reward pool professionals who choose to trust S.R.Smith products for their customer's pools.

HOW IT WORKS

Each quarter we will randomly select one lucky pool builder or service company to receive a check in the amount of \$10,000! The program is simple- the more S.R.Smith products you buy, the more chances to win!

1. Visit srsmith.com/PoolBetterRewards on your desktop or mobile device
2. Complete the form including each product serial number (each serial # is an entry to win)
3. Click the submit button

Simply complete the form on your desktop or mobile device and press submit to be entered. Each product you register will give you an entry into the \$10,000 drawing. Limit one entry per serial number.
